DEFINITION OF BEAUTY:
A DELIGHTFUL QUALITY ASSOCIATED WITH HARMONY OF FORM OR COLOR, EXCELLENCE OF CRAFTSMANSHIP, TRUTHFULNESS, ORIGINALITY, OR ANOTHER PROPERTY.

In the book by Michael Pollan In Defense of Food: An Eater's Manifesto he states "Don't get your fuel from the same place your car does." I would like to add my own quote in defense of the largest organ in the body-your skin.

"Don't get your cosmetics from the same substance your car does."
Sometimes avoiding petroleum base products seems difficult or expensive. However, God has provided an array of natural oils, spices and substances that are inexpensive, effective, antibacterial, safe and are not based on the same product that runs your car.

"Many times when we are sick, we pray to God for healing. Sometimes, the miracle of healing is the miracle of our obedience."
- Renee Lea-Currie, Ph.D.

We are surrounded by synthetic foods, clothes, containers, entertainment, sweeteners, cosmetics, and scents everyday. Let us be obedient to the laws of nature and listen to our bodies crying out for relief from the “FAKE” things in our lives. Experience the “miracle” of natural beauty and health.

Be amazed!
Be beautiful!
Be radiant with joy and health!

Proverbs 31:30
Charm is deceitful and beauty is passing,
But a woman who fears the LORD, she shall be praised.

Esther 2:12
Now when every maid's turn was come to go in to king Ahasuerus, after that she had been twelve months, according to the manner of the women, (for so were the days of their purifications accomplished, to wit, six months with oil of myrrh, and six months with sweet odours, and with other things for the purifying of the women;)

Jeremiah 29:11
For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.

Proverbs 25:16
If you find honey, eat just enough—too much of it, and you will vomit.

Psalm 51:7
Cleanse me with hyssop, and I will be clean; wash me, and I will be whiter than snow.

Exodus 30: 22-25
Then the Lord said to Moses, “Take the following fine spices: 500 shekels of liquid myrrh, half as much (that is, 250 shekels) of fragrant cinnamon, 250 shekels of fragrant calamus, 500 shekels of cassia—all according to the sanctuary shekel—and a hin of olive oil. Make these into a sacred anointing oil, a fragrant blend, the work of a perfumer. It will be the sacred anointing oil.

1 Peter 3:3-4
Your beauty should not come from outward adornment, such as elaborate hairstyles and the wearing of gold jewelry or fine clothes. Rather, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God’s sight.
